Total Required Course Credits	Core Required Courses		28																	
	Core Required Courses in FinTech School		10																	
	Required Courses		54																	
	Elective Courses		36																	
	Total Credits		128																	

1. In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.
2. Students need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation.
3. Elective Courses, Microcredit Courses, Credit Program, Retaking Course, Elective-Required Courses, Conditions-Required for Graduation, etc. shall be prescribed by FTA.

4. The overload credits of General Education and Teacher Education Program courses are not credits of graduation.
5. The courses of other School can be regarded as th FTA elective courses with a limitation of at most 16 course credits.
6. The Required and Elective Courses can be retrospective from 110 Academic Year after Chair approved.
7. Graduating students and students in the extended study period who did not pass required courses of Physical Education can waive a maximum of two (2) required Physical Education courses by passing Comprehensive Physical Education I, Comprehensive Physical Education II. This regulation is applicable for those admitted in and prior to 2020-21 academic year.
8. Foreign students, overseas Chinese students, Hong Kong students and Macao students may select the following courses to waive “Chinese Literature: Appreciation and Creative Writing I and II” once the related test confirms that they have insufficient Chinese ability: “Basic Mandarin I and II” or “Chinese Literature I and II”. This may also be retroactively applied to students who entered the university prior to the 2023-24 academic year.
